TOW BAR ADAPTER

The max. vertical load is 210 kg. the max. load-carrying capacity is 2.500 kg.

ESSENTIAL ATTACHMENT

The TOBROCO-GIANT tow bar adapter is the perfect tool for moving a trailer, caravan, etc. It is available in both fixed and adjustable versions and equipped with a K50 ball coupling. With the adjustable version it is possible to hitch up the trailer alongside the machine. This gives good visibility along the trailer when shunting in tight spaces such as caravan sheds.
