

PRODUCT INFORMATION

STONE GRAB

These stone grabs are standard equipped including rotator and excluding jib. The TB-300 is exclusive of clinker plates and extensions, the TB-600 includes clinker plate set 1,300 mm + extensions 250 mm and the TB-1150 includes clinker plate set 1,300 mm + extensions 250 mm. The necessary connection for this attachment requires 2x double-acting hydraulic function. This attachment is optionally also available with CW/S coupling.

LABOR RELIEVING ATTACHMENT

These clamps allow easy (re)positioning of heavy packs. This makes it efficient and labor-relieving.
