

# PRODUCT INFORMATION

## ROOT BALL AND POT CLAMPS

These root ball and pot clamps come standard with cylinder rotation: 2x45 and are inclusif pressure relief valve.

### VERSATILE ATTACHMENT

To make moving and loading heavy plants with a root ball or pot easier, TOBROCO-GIANT has developed this root ball/pot clamp. This way, the heavy work is taken over and the working conditions are improved. This root ball/pot clamp has a hydraulic drive.
