

# PRODUCT INFORMATION

## STONE BUCKET

These stone buckets come standard with a hardox wear plate (skid, compact and standard) or double hardox wear plate (heavy and large). This attachment is also available without insert on request.

### ROBUST ATTACHMENT

The stone buckets of TOBROCO- GIANT are perfect for transporting an sieving waste and rubble. The stone bucket is provided with a removable plate. Through the plate, the stone bucket can also be used for earthmoving. The stone bucket offers a good view of the work and is equipped with a hardox wear plate.
