

PRODUCT INFORMATION

SWEeper PLUS

These sweepers plus come standard with level compensation system, 20° mechanical angle adjustment and a height-adjustable sweeping brush with premium brush quality. Also, this attachment has an XL running wheel with pneumatic tire height adjustment, hydraulic emptying and 3D levelling. The necessary connection for the sweeper plus demands 1x double-acting hydraulic function with mechanical angling, 2x double-acting hydraulic function with hydraulic angling and a 12 Volt connection (in combination with water spray system)

VERSATILE ATTACHMENT

The TOBROCO-GIANT sweeper aims for maximum cleaning results. Leaves, manure, clippings, sand and other loose waste are easily swept up. The sweeper is also perfect for clearing snow. The sweepers are standard equipped with a collector and optionally available with a side brush or water spray system.
