

# PRODUCT INFORMATION WEED BRUSH

These weed brushes come standard with brush of 100% steel, an adapter plate Ø 500 mm and 36 brush strands. This attachment can be used on left and right.

## SIMPLE ATTACHMENT

The GIANT weed brush makes weed removal easier. The weed brush is easily adjusted hydraulically or mechanically. The swivel arm is adjustable to the left and right and also the angle of the brush is adjustable. Weeds are quickly removed and neatly collected thanks to the splash plate.
